

DECLARATION OF COMPANY SECURITY OFFICERS

According to Part A, Section 11 of the ISPS Code, each company shall designate a CSO to have knowledge of, and training in, the aspects mentioned in Part B.13.1 of the ISPS Code. The CSO designated by the company is responsible for the ship security assessment and for an on-board survey to confirm the development and implementation of the Ship Security Plan.

Company Security Officers of vessels registered with this Administration that operate in, or transit, high-risk areas are expected to follow the guidance for Company Security Officers set out in MSC.1/Circ.1390 (preparation of a company and crew for the contingency of hijack by pirates in the Western Indian Ocean and the Gulf of Aden), together with the current edition of the industry Best Management Practices (BMP), as applicable to the area of operation.

This declaration shall be submitted on the appointment of a Company Security Officer and resubmitted without delay whenever any of the particulars below change. The 24-hour contact details of the CSO are required by Part A, Section 9.4.17 of the ISPS Code and must be reachable at all times.
