APPLICATION FOR A MARITIME LABOUR EXEMPTION CERTIFICATE

Somalia Ship Register · Form SEG-MLC1 · Revision 00

This application shall be submitted to the Somalia Ship Register by the Owner, Manager or duly authorised representative of a vessel registered under the flag of the Federal Republic of Somalia, requesting an exemption under Title 3 of the Maritime Labour Convention, 2006, as amended.

Exemptions may be granted only where expressly permitted by the Convention, only after consultation with the shipowners' and seafarers' organisations concerned, and only where the exemption does not result in conditions less favourable than those required by the Convention. Exemptions shall not be granted in respect of a ship's ventilation, heating, lighting or drainage arrangements.

The following documents shall accompany this application:

1. Copy of the vessel's Certificate of Registry issued by the Somalia Ship Register.
2. General arrangement plan and accommodation plan of the vessel.
3. Copy of the Declaration of Maritime Labour Compliance, Part I and Part II, where issued.
4. Written statement of the arrangements proposed in place of the requirement from which exemption is sought.

The exemption, if granted, is recorded in the Declaration of Maritime Labour Compliance, Part I, and remains valid only while the conditions on which it was granted continue to apply. Any change shall be reported to SSRL without delay.
